FAX: (419) 893-2307

WHAT TO DO WHEN THE WEATHER FORECAST CAUSES HAVOC ON NWOYSL GAMES

All game cancellations will be posted on the website as soon as the League is aware of them. Coaches are NOT permitted to cancel games. A Club Contact or Field Director must be the person contacting the League's officer on call to cancel games.

Please remember a few things:

-  **As long as a game reaches half-time, the game score stands as is, and the game will not be continued at a later date or rescheduled. The score will be posted as it was at the time the game is suspended.**
-  **The games that do not occur, and those that have been suspended prior to half-time, must be replayed. The game will be restarted at the beginning of the game. It is the responsibility of the teams, not the referees, to inform the League Office that this has occurred.**
-  **It is the responsibility of each team to reschedule the game within 48 hours of the game being cancelled or not played due to weather related circumstances. If this is not completed, the League Office will reschedule your game.**
-  **Once the teams mutually agree on a NEW date/time – send the league office an email stating game number and new information and we will update the website.**
-  **If the teams do not complete the reschedule, the League Office will reschedule the game using the teams' calendars that were submitted prior to the onset of the season. This form was due to our office before the scheduling meeting. The form is also on our website, under "Forms".**
-  **Once the office reschedules your game, teams will not be permitted to select an alternative date and/or time. Unless they pay for a Reschedule through Affinity.**
-  **If teams reschedule their own games without the League Office's approval, unfortunately, the game will be considered an "illegal" game, which means penalties for both teams.**

We appreciate your cooperation and Thank you!
